Absoluk Hair Care's permanent hair color cream contains **KERATIN + PROPYLENE GLYCOL**. Together they intervene in the oxygenation of hair tissue, improving its hydration and structure. They are precursors of the molecules responsible for increasing the skin resistance against external aggressions achieving the PLEX EFFECT.

La coloración permanente en crema Absolut Hair Care contiene **KERATIN + PROPYLENE GLYCOL**. Juntos intervienen en la oxigenación del tejido capilar mejorando su hidratación y su estructura. Son precursores de las moléculas encargadas de aumentar la resistencia de la piel frente a las agresiones externas, consiguiendo el EFECTO PLEX.
